UPDATES ON FINANCIAL INFORMATION OF THE GROUP

This announcement is made by China Technology Solar Power Holdings Limited (“**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (“**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules).

The board (“**Board**”) of directors (“**Directors**”) of the Company wishes to inform the shareholders of the Company (“**Shareholders**”) and potential investors that based on latest available unaudited management account of the Company for the six months ended 30 September 2015 (“**1H-15**”), the Group is expected to record a net profit attributable to owners of the Company of approximately HK\$0.3 million as compared to a loss attributable to owners of the Company of approximately HK\$9.8 million for the six months ended 30 September 2014 (“**1H-14**”). The Board attributed such turnaround mainly to the recognition of revenue derived from the sale of solar related products during 1H-15 (1H-14: Nil) and a recognition of change in fair value of contingent consideration payable of approximately HK\$15.8 million in 1H-15 (1H-14: approximately HK\$0.9 million).

As the Company is still in the process of preparing and finalising the unaudited consolidated financial results for 1H-15, information contained in this announcement is only based on a preliminary assessment of the unaudited management accounts of the Group and information currently available. It is not based on any data or information being audited or reviewed by the auditors of the Company. There may be adjustments following further review and finalisation of the unaudited management accounts of the Group by the Board.

Further information and other details of the Group’s financial performance for 1H-15 will be disclosed in the forthcoming interim results announcement in due course in compliance with GEM Listing Rules which is expected to be published on 5 November 2015.
