CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

LETTER FROM THE BOARD

ISSUE MANDATE, REPURCHASE MANDATE AND EXTENSION MANDATE

At the annual general meeting of the Company held on 20 September 2016, the Directors were granted, among other things, (a) a general and unconditional mandate to allot, issue or otherwise deal with Shares not exceeding 20% of the aggregate number of the issued Shares as at the date of passing of the relevant resolution; (b) a general and unconditional mandate to repurchase, on the Stock Exchange, Shares up to a maximum of 10% of the aggregate number of the issued Shares as at the date of passing of the relevant resolution; and (c) the power to extend the general mandate mentioned in (a) above by the aggregate number of Shares repurchased by the Company pursuant to the mandate to repurchase Shares referred to in (b) above. The abovementioned mandates will expire at the conclusion of the AGM.

At the AGM, an ordinary resolution will be proposed that the Directors be granted the Issue Mandate, i.e. a general and unconditional mandate to allot, issue or otherwise deal with new Shares up to a maximum of 20% of the aggregate number of the issued Shares as at the date of passing of the relevant resolution. As at the Latest Practicable Date, a total of 1,430,012,850 Shares were in issue. Subject to the passing of the proposed resolution granting the Issue Mandate to the Directors and on the basis that no Shares will be issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Issue Mandate to issue a maximum of 286,002,570 Shares.

At the AGM, an ordinary resolution will also be proposed to grant the Directors the Repurchase Mandate, i.e. a general and unconditional mandate to exercise all powers of the Company to repurchase, on the Stock Exchange, or on any other stock exchange on which the Shares are listed, Shares up to a maximum of 10% of the aggregate number of the issued Shares as at the date of passing of the relevant resolution.

In addition, an ordinary resolution regarding the Extension Mandate will be proposed at the AGM providing that any Shares repurchased under the Repurchase Mandate will be added to the total number of Shares which may be allotted and issued under the Issue Mandate.

Subject to the passing of the proposed resolution granting the Repurchase Mandate to the Directors and on the basis that no Shares will be issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase up to a maximum of 143,001,285 Shares.

Each of the Issue Mandate, the Repurchase Mandate and the Extension Mandate will expire at the earliest of: (i) the conclusion of the next annual general meeting of the Company; or (ii) the end of the period within which the Company is required by the Companies Law or the Articles to hold its next annual general meeting; or (iii) when revoked or varied by ordinary resolution(s) of the Shareholders in a general meeting.

Under the GEM Listing Rules, the Company is required to give to all Shareholders all information which is reasonably necessary to enable the Shareholders to make an informed decision as to whether to vote for or against the resolution in respect of the Repurchase Mandate at the AGM. An explanatory statement for such purpose is set out in Appendix I to this circular.

Particulars of the Directors who will offer themselves for re-election at the AGM are set out in Appendix II to this circular.

VOTING BY WAY OF POLL

Pursuant to Rule 17.47(4) of the GEM Listing Rules, all votes at the AGM will be taken by poll. The Company will announce the results of the poll in the manner prescribed under Rule 17.47(5) of the GEM Listing Rules.

LETTER FROM THE BOARD

RECOMMENDATION

The Directors believe that the grant of Issue Mandate, the Repurchase Mandate and the Extension Mandate and the re-election of Directors are in the interests of the Company and the Shareholders as a whole.

The Directors believe that an exercise of the Issue Mandate will enable the Company to take advantage of market conditions to raise additional capital for the Company.

The Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be exercised when the Directors believe that repurchases of Shares will benefit the Company and the Shareholders as a whole.

Accordingly, the Directors recommend the Shareholders to vote in favour of the relevant resolutions to be proposed at the AGM.

No Shareholder is required to abstain from voting on any of the resolutions to be proposed at the AGM under the GEM Listing Rules.

GENERAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular.

As at the Latest Practicable Date, the Company did not have any controlling Shareholder and so far as the Directors are aware, none of the Directors or his/her close associate(s) had any interest in a business which competes or may compete with the business of the Group.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

On behalf of the Board
China Technology Solar Power Holdings Limited
Chiu Tung Ping
Chairman and executive Director

This Appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide requisite information to you as to the proposed Repurchase Mandate.

1. GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The GEM Listing Rules permit a listed company to repurchase their shares on the Stock Exchange and any other stock exchange recognised for this purpose by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the GEM Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of its shareholders, either by way of a general mandate or a specific approval.

2. SHARE CAPITAL

It is proposed that up to 10% of the aggregate number of the issued Shares at the date of passing of the resolution granting the Repurchase Mandate may be repurchased by the Company. As at Latest Practicable Date, there was a total of 1,430,012,850 Shares in issue.

Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 143,001,285 Shares.

3. REASONS FOR THE REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase the Shares on the Stock Exchange. Share repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES

Repurchase made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association, the Articles, the GEM Listing Rules, the Companies Law and other applicable laws of the Cayman Islands. A listed company may not repurchase its own shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Companies Law, repurchases by the Company may only be made out of profits of the Company, out of the Company's share premium account or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the Shares to be repurchased must be provided for out of profits or the share premium account of the Company or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital.

Taking into account the current working capital position of the Company, the Directors consider that there might be a material adverse impact on the working capital and/or the gearing position of the Company as compared with the position as at 31 March 2017, being the date of its latest published audited consolidated financial statements, in the event that the proposed repurchases in the Repurchase Mandate were to be exercised in full at any time during the proposed repurchase period. However, the Directors do not intend to make any repurchase to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on GEM in each of the 12 calendar months immediately preceding the Latest Practicable Date are as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
August 2016	0.220	0.164
September 2016	0.195	0.153
October 2016	0.220	0.182
November 2016	0.203	0.167
December 2016	0.198	0.142
January 2017	0.158	0.131
February 2017	0.142	0.125
March 2017	0.144	0.119
April 2017	0.148	0.123
May 2017	0.137	0.122
June 2017	0.140	0.086
July 2017	0.097	0.081
August 2017 (up to the Latest Practicable Date)	0.100	0.083

6. THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, if a Shareholder, or a group of Shareholders acting in concert, could obtain or consolidate control of the Company, such Shareholder or group of Shareholders would become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, the Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchases made pursuant to the Repurchase Mandate.

The Directors have no present intention to exercise the Repurchase Mandate to such extent that may result in any mandatory offer being required under the Takeovers Code or may result in a public shareholding of less than 25%, the prescribed minimum percentage of the Shares in issue required by the Stock Exchange to be held by the public.

7. SHARE REPURCHASE MADE BY THE COMPANY

The Company had not purchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months immediately preceding the Latest Practicable Date.

8. GENERAL

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates have any present intention to sell any Shares to the Company if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

Notes:

1. A shareholder of the Company (“**Shareholder**”) entitled to attend and vote at the AGM is entitled to appoint one or more proxy to attend and, subject to the provisions of the articles of association of the Company, vote in his/her/its stead. A Shareholder who is the holder of two or more shares of the Company (“**Shares**”) may appoint more than one proxy to represent him/her/it and vote on his/her/its behalf at a general meeting of the Company. A proxy need not be a Shareholder. In addition, a proxy shall be entitled to exercise the same powers on behalf of a Shareholder which is a corporation and for which he/she acts as proxy as such Shareholder could exercise if it were an individual Shareholder.
2. For determining the entitlement of the Shareholders to attend and vote at the AGM, the register of members of the Company will be closed from Wednesday, 20 September 2017 to Monday, 25 September 2017, both days inclusive, during which no transfer of the Shares will be effected. In order to be entitled to attend and vote at the AGM, all share transfers accompanied by the relevant share certificates must be lodged with principal place of business of the Company in Hong Kong at Room 1801, 18th Floor, Kai Tak Commercial Building, 317 & 319 Des Voeux Road, Central, Hong Kong for registration no later than 4:30 p.m. (Hong Kong time) on Tuesday, 19 September 2017.
3. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his/her attorney duly authorised in writing, or if the appointor is a corporation, either under seal or under the hand of an officer or attorney duly authorised.
4. To be valid, the form of proxy together with a power of attorney or other authority, if any, under which it is signed or a notarially certified copy of such power or authority must be deposited at the principal place of business of the Company in Hong Kong at Room 1801, 18th Floor, Kai Tak Commercial Building, 317 & 319 Des Voeux Road Central, Hong Kong by 2:30 p.m. (Hong Kong time) on Saturday, 23 September 2017 or not later than 48 hours before the time appointed for any adjourned meeting of the AGM.

The Directors have no immediate plans to issue any new Shares other than Shares which may fall to be issued under the share option scheme of the Company or any scrip dividend scheme which may be approved by the Shareholders.
6. In relation to proposed resolution numbered 5 above, the Directors wish to state that they will only exercise the powers conferred thereby to repurchase Shares in circumstances which they deem appropriate for the benefit of the Company and the Shareholders as a whole.
7. Completion and return of a form of proxy will not preclude a Shareholder from attending and voting in person at the AGM or any adjournment thereof and in such event, the form of proxy shall be deemed to be revoked.
8. In the case of joint holders of any Share, any one of such joint holders may vote at the AGM, either personally or by proxy, in respect of such share as if he/she/it were solely entitled thereto; but if more than one of such joint holders be present at the AGM personally or by proxy, that one of the said persons so present whose name stands first on the register in respect of such share shall alone be entitled to vote in respect thereof.
