### ISSUE MANDATE, REPURCHASE MANDATE AND EXTENSION MANDATE

At the annual general meeting of the Company held on 26 September 2023, the Directors were granted, among other things, (a) a general and unconditional mandate to allot, issue or otherwise deal with Shares not exceeding 20% of the aggregate number of the issued Shares as at the date of passing of the relevant resolution; (b) a general and unconditional mandate to repurchase, on the Stock Exchange, Shares up to a maximum of 10% of the aggregate number of the issued Shares as at the date of passing of the relevant resolution; and (c) the power to extend the general mandate mentioned in (a) above by the aggregate number of Shares repurchased by the Company pursuant to the mandate to repurchase Shares referred to in (b) above. The abovementioned mandates will expire at the conclusion of the AGM.

At the AGM, an ordinary resolution will be proposed that the Directors be granted the Issue Mandate, i.e. a general and unconditional mandate to allot, issue or otherwise deal with new Shares up to a maximum of 20% of the aggregate number of the issued Shares as at the date of passing of the relevant resolution. As at the Latest Practicable Date, a total of 460,976,684 Shares were in issue. Subject to the passing of the proposed resolution granting the Issue Mandate to the Directors and on the basis that no Shares will be issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Issue Mandate to issue a maximum of 92,195,336 Shares.

At the AGM, an ordinary resolution will also be proposed to grant the Directors the Repurchase Mandate, i.e. a general and unconditional mandate to exercise all powers of the Company to repurchase, on the Stock Exchange, or on any other stock exchange on which the Shares may be listed, Shares up to a maximum of 10% of the aggregate number of the issued Shares as at the date of passing of the relevant resolution.

In addition, an ordinary resolution regarding the Extension Mandate will be proposed at the AGM providing that any Shares repurchased under the Repurchase Mandate will be added to the total number of Shares which may be allotted, issued or otherwise dealt with under the Issue Mandate.

Subject to the passing of the proposed resolution granting the Repurchase Mandate to the Directors and on the basis that no Shares will be issued or repurchased by the Company prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase up to a maximum of 46,097,668 Shares.

## LETTER FROM THE BOARD

---

### CLOSURE OF REGISTER OF MEMBERS

For determining the entitlement of the Shareholders to attend and vote at the AGM, the register of members of the Company will be closed from Tuesday, 24 September 2024 to Friday, 27 September 2024, both days inclusive, during which no transfer of Shares will be effected. In order to be eligible to attend and vote at the AGM, all share transfer documents accompanied by the relevant share certificates must be lodged with the Company's branch share registrar and transfer office in Hong Kong, Computershare Hong Kong Investor Services Limited at Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong, for registration no later than 4:30 p.m. (Hong Kong time) on Monday, 23 September 2024.

### RECOMMENDATION

The Directors believe that the grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate, the re-election of Directors and the proposed amendments to the Articles are in the interests of the Company and the Shareholders as a whole.

The Directors believe that an exercise of the Issue Mandate will enable the Company to take advantage of market conditions to raise additional capital for the Company.

The Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be exercised when the Directors believe that repurchases of Shares will benefit the Company and the Shareholders as a whole.

Accordingly, the Directors recommend the Shareholders to vote in favour of the relevant resolutions to be proposed at the AGM.

No Shareholder is required to abstain from voting on any of the resolutions to be proposed at the AGM under the GEM Listing Rules.

### GENERAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular.

As at the Latest Practicable Date, so far as the Directors are aware, none of the Directors or his/her close associate(s) had any interest in a business which competes or may compete with the business of the Group.

## LETTER FROM THE BOARD

### RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

By Order of the Board  
**China Technology Industry Group Limited**  
**Huang Bo**  
*Chairman*

*This Appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide requisite information to you as to the proposed Repurchase Mandate.*

## **1. GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES**

The GEM Listing Rules permit a listed company to repurchase its shares on the Stock Exchange and any other stock exchange recognised for this purpose by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the GEM Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of its shareholders, either by way of a general mandate or a specific approval.

## **2. SHARE CAPITAL**

It is proposed that up to 10% of the aggregate number of the issued Shares at the date of passing of the resolution granting the Repurchase Mandate may be repurchased by the Company. As at the Latest Practicable Date, there was a total of 460,976,684 Shares in issue.

Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 46,097,668 Shares.

## **3. REASONS FOR THE REPURCHASE**

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase the Shares on the Stock Exchange. Share repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole.

## **4. FUNDING OF REPURCHASE**

Repurchase(s) made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association, the Articles, the GEM Listing Rules, the Companies Act and other applicable laws of the Cayman Islands. A listed company may not repurchase its own shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Companies Act, repurchases by the Company may only be made out of profits of the Company, the Company's share premium account or the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if so authorised by the Articles and subject to the provisions of the Companies Act, out of capital. Any premium payable on a redemption or purchase over the par value of the Shares to be repurchased must be provided for out of profits or the share premium account of the Company or, if so authorised by the Articles and subject to the provisions of the Companies Act, out of capital.

Taking into account the current working capital position of the Company, the Directors consider that there might be a material adverse impact on the working capital and/or the gearing position of the Company as compared with the position as at 31 March 2024, being the date of its latest published audited consolidated financial statements, in the event that the proposed repurchases in the Repurchase Mandate were to be exercised in full at any time during the proposed repurchase period. However, the Directors do not intend to make any repurchase to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors is from time to time appropriate for the Company.

## 5. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on GEM in each of the 12 calendar months immediately preceding the Latest Practicable Date are as follows:

**6. THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING**

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, if a Shareholder, or a group of Shareholders acting in concert, could obtain or consolidate control of the Company, such Shareholder or group of Shareholders would become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, the Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchases made pursuant to the Repurchase Mandate.

The Directors have no present intention to exercise the Repurchase Mandate to such extent that may result in any mandatory offer being required under the Takeovers Code or may result in a public shareholding of less than 25%, the prescribed minimum percentage of the Shares in issue required by the Stock Exchange to be held by the public.

**7. SHARE REPURCHASE MADE BY THE COMPANY**

The Company had not purchased any of the Shares (whether on the Stock Exchange or otherwise) in the six months immediately preceding the Latest Practicable Date.

**8. GENERAL**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates have any present intention to sell any Shares to the Company if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make purchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

No core connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company nor has any such core connected person undertaken not to sell any Shares held by him/her/it to the Company in the event that the Repurchase Mandate is granted.
